

CHRONIC PELVIC PAIN

(Over 3 months duration)

Brighton and Sussex University Hospital
Brighton and Hove CCG
High Weald Lewes Havens CCG
Horsham and Mid Sussex CCG

History
Examination
Smear if overdue
Swabs and ultrasound
(especially those 50 years
and over – request CA125
test)

Consider referral to Genito-
Urinary Clinic if sexually
transmitted infection

Refer to
2ww referral
pathway /
proforma if
ultrasound
suggests
endometrial or
ovarian cancer
(include CA125
test result)

Abnormal examination
or ultrasound

Normal examination
and ultrasound

Gynaecology OP
department
(Include CA125 test
results)

Failure of medical management
options

Cyclical Pain
Consider:
Combined Oral Contraceptive Pill,
Progesterone Intrauterine
Contraceptive Device
NSAIDs (choices from local formulary)

Laparoscopy if
Necessary
